“ Such a precious lady that I had the pleasure of getting to know. She had such grace in light of her suffering and always kept a positive outlook. In her words, “it could always be worse.” Love and prayers to you Mr. Ken and all of the family.

“ I'm so sorry! And shocked, although I knew she wasn't in good health. I'm glad I got to speak with her at Ben's service. As always she started talking about our past when y'all had souvenir plants. I loved her, just as I do all of you. You will be in my prayers. God bless and comfort each of you.
