“ Our condolences to Mike and the family from Belize.
I know this is a day that none of us was prepared for. So sudden and unexpected. I am grateful for an opportunity to share precious memories of Kay.
We have known Mike & Kay for about 10 years. You have both been actively involved in Life Church and several different churches/ministries here in Belize. The wisdom you shared over the years will be left with us to carry on. The unconditional love you displayed for people has left a mark here in Belize.
Kay has served at many of our church fundraisers. She was always quick to donate her time and bake cupcakes to sell.
Almost 4 years ago Kay was at my baby shower and I so clearly remember the smile glowing on her face that day as if she was the granny for my baby. It made me feel special. She had a peaceful character that made everyone feel loved around her. She was our grandma in church.
Her memories will live on in our ministry and in our hearts.
Mike, our prayers go out for you. We wish we could visit you at this time.
Much love from Pastors Corny & Angela Dueck
Blessings, from Belize

“ Kay always had a beautiful smile and a positive attitude. We were blessed to have Mike and Kay in Belize as we transitioned into a new culture and country. They were always ready to help and encourage. Kay quietly poured her life into so many people; a beautiful example of Christ. We were blessed to have our lives intersect. Our prayers are with Mike and the family. -Sam & Becky Barber, Belize City, Belize”

Mike, I am so very sorry for your tremendous loss and will keep you and your family in my heart and in my prayers.
