“ Ken, I am just now seeing this and am so sorry to learn of Kay's passing. Our families were such good friends and went on vacations together when Kay and I were young. Our relationship continued when you and Kay were living down the street from us on Fair Drive. Our children grew up together until we moved away from Clinton. I have many wonderful memories of Kay and her mama and daddy and you and your family, Ken. Kay was such a special person and friend! I pray for comfort for you, Kathy, Kenny, and Kevin. I wish I had known about this earlier. Much love to all of you!

“ Dear Mann family, Kay was such a dear friend to my mom Delle for my mom's entire life. But Kay and Julie Bolick really were such an amazing source of strength for my mom and my sister Ame and me at the end of my mom's life. The amazing picnics that Kay and Julie would bring to share with my mom are legendary. Should we all be so lucky to have friends who are so incredibly kind and loving in our lives. And of course, I have such warm memories of you all from growing up (the early years) in Clinton. Wishing you all peace and much love during this sad time. You are in my heart, Ashley Gasque
