“ Jean & family I don't have the words ever since I heard of Tommy's death I keep thinking this is a bad dream and I will wake up. He and I shared so much being a only child we became brothers and had so much fun working together at the Sheriff's office . I could go on and on about the great memories but I will end by saying we will see him again one day. God's comfort Mike Eaton & family

“ I am in such shock and I cannot comprehend this! He grew up with my ex husband and the three of us went to see Waylon many times. Saying he was a HUGE fan of Waylon is putting it mildly. I hosted a Bridal shower at our home for Jean just before their marriage. For Tommy, she was the absolute love of his life, he talked to us so much about her. Jean and boys, I am so, so sorry to see this. I am praying for all of you and Ms. Doris. I don't know how long it will take me to believe this. Praying for God to hold you all in his Loving arms and help you to get through this tragedy.
